

Ladies Garden Luncheon

Smithtown, Long Island, NY - Zere Real Estate Services hosted a ladies luncheon garden party on the North Shore of Long Island at the beautiful home of Marie Zere, President & CEO and Michelle Marie Zere, Executive Vice President along with special guest hostess Kristine Wolf, Publisher of the New York Real Estate Journal. The top tier no nonsense ladies of Long Island's commercial real estate industry business community attended this special gathering for an afternoon of beauty in the garden, relaxation by the pool and hardcore business deal making and networking. There were certainly no wall flowers in this garden. The Matrix Group generously sponsored the gourmet fare prepared by Zorn's Catering.
